Adventurer Ohaus

Product Data

Standard Features Include:

- Stability, Accuracy, and Fast Operation Ensure Optimal Weighing Results: This trio of characteristics ensures the most important aspects of routine laboratory weighing are covered: accurate results you can count on extremely quickly.
- Color Touchscreen & Connectivity Options Power a Modern Weighing Experience: The wide viewing angle color touchscreen provides quick access to all of Adventurer's applications, while dual USB ports with GLP/GMP tracking capabilities assist in the monitoring and reporting of data.
- Space-saving Draftshield Improves User Experience and Accessibility: The two piece top-mounted draftshield doors open wide on both sides, providing ample room for sample placement, and also reduce the footprint of the draftshield in the rear of the balance when open.

Type E: with external calibration

Type M: Approved Models
