

Nitrile gloves PEARL ColorLine

Good tactile sensitivity and excellent fit

Properties

The gloves have a similar wearing comfort as latex gloves and since they are latex-free, allergy sufferers will no longer have problems wearing these gloves. We offer this glove in many attractive colors.

Benefits

- Non-sterile
- Powder-free
- Rolled edge
- Micro roughened fingertips
- Made according to EN 455, EN 374
- AQL 1.5
- Chemical protective glove
- Dispenser box à 100 pieces
