Cleansing, Care and Protection
for the Skin.

triformin® care and triformin® protect – Care and Protection for the Skin

triformin® care and triformin® protect

The care programme for hands and skin which are exposed daily to heavy stress

- For intensive care **triformin® care**
- For effective protection **triformin® protect**

Fields of Application:

- **triformin® care** with high-quality jojoba oil gives back important caring substances which are essential for skin regeneration of stressed skin after daily exposure
- The special formula of **triformin® protect** on the basis of beeswax protects the skin during daily stress
- Recommended in the healthcare sector such as e.g. hospitals, clinics, doctors' practices, nursing homes, in chemical, cosmetic and pharmaceutical fields as well as in food processing areas e.g. in professional kitchens, butcher's shops and dairies

Application Recommendation:

- Apply on the clean and dry skin and rub it in thoroughly, also between the fingers and on the nails
- For optimum skin care **triformin® care** should be used regularly after hand cleansing in breaks or after work
- For optimum skin protection **triformin® protect** should always be used before work and after longer breaks

Our Competence – Your Benefit:

- **triformin® care:** very rich oil-in-water emulsion
- **triformin® protect:** very economical water-in-oil emulsion
- care with high-quality jojoba oil with **triformin® care** and beeswax with **triformin® protect**
- perfume-free

- protects the skin against moisture loss
- sustainably protects the skin from drying out
- intensive care with **triformin® care** and long-lasting protection with **triformin® protect**
- excellent skin tolerance, confirmed by dermatological certificates

triformin® wash – Gentle Hand and Body Cleansing

triformin® wash

The gentle washing lotion with caring components and pleasant fragrance

- For caring hand and body cleansing

Fields of Application:

- For frequent daily hand and body cleansing in the healthcare sector such as e.g. hospitals, clinics, doctors' practices, nursing homes, in chemical, cosmetic and pharmaceutical fields as well as in food processing areas e.g. in professional kitchens, butcher's shops and dairies
- Additionally to cleansing with **triformin® wash** we recommend the cream **triformin® care** and for skin protection the cream **triformin® protect**

Application Recommendation:

- For hand cleansing apply approximately 3 ml **triformin® wash** on the already moist skin and spread evenly. Observe the correct washing method to make sure that all parts of the hands are washed thoroughly. Rinse with plenty of fresh water. Then dry your hands with a disposable towel.
- For body cleansing apply **triformin® wash** on the moist skin, rub in thoroughly and rinse.
- For dosing **triformin® wash** from the 1 L and 500 ml bottle we recommend the **triformin® dispenser 1.0** or **triformin® dispenser 0.5**

Our Competence – Your Benefit:

- very economical mild washing lotion with aloe vera and natural honey
- on the basis of plant-based raw materials
- pH-neutral, free of soaps and alkali

- particularly suitable for normal, dry and sensitive skin
- mild skin care
- excellent skin tolerance, confirmed by dermatological certificates

triformin® wash pure – Perfume-free Caring Hand and Body Cleansing

triformin® wash pure

The perfume-free gentle washing lotion with caring components and moisturising glycerin

- For gentle and caring hand and body cleansing

Fields of Application:

- For frequent daily hand and body cleansing in the healthcare sector such as e.g. hospitals, clinics, doctors' practices, nursing homes, in chemical, cosmetic and pharmaceutical fields as well as in food processing areas e.g. in professional kitchens, butcher's shops and dairies
- Additionally to cleansing with **triformin® wash pure** we recommend the cream **triformin® care** and for skin protection the cream **triformin® protect**

Application Recommendation:

- For hand cleansing apply approximately 3 ml **triformin® wash pure** on the already moist skin and spread evenly. Observe the correct washing method to make sure that all parts of the hands are washed thoroughly. Rinse with plenty of fresh water. Then dry your hands with a disposable towel.
- For body cleansing apply **triformin® wash pure** on the moist skin, rub in thoroughly and rinse.
- For dosing **triformin® wash pure** from the 1 L and 500 ml bottle we recommend the **triformin® dispenser 1.0** or **triformin® dispenser 0.5**

Our Competence – Your Benefit:

- very economical mild washing lotion with care components and glycerin
- free of perfume and colouring agents
- free of soaps and alkali

- caring and mild, especially suitable for normal and dry skin
- universally applicable, even in professional kitchens and in the cosmetic and pharmaceutical field
- for frequent daily hand and body cleansing; excellent skin tolerance, confirmed by dermatological certificates
